

Convention on
Biological Diversity

The CBD and the role of business

Bianca Brasil, Program Manager – Business Engagement
July 2022

UNITED NATIONS DECADE ON
**ECOSYSTEM
RESTORATION**
2021-2030

UN
environment
programme

The CBD

1993 entered into force

196 Parties

Pillars

- Conservation of biological diversity
- Sustainable use of natural resources
- Access and Benefit Sharing

Rio Conventions

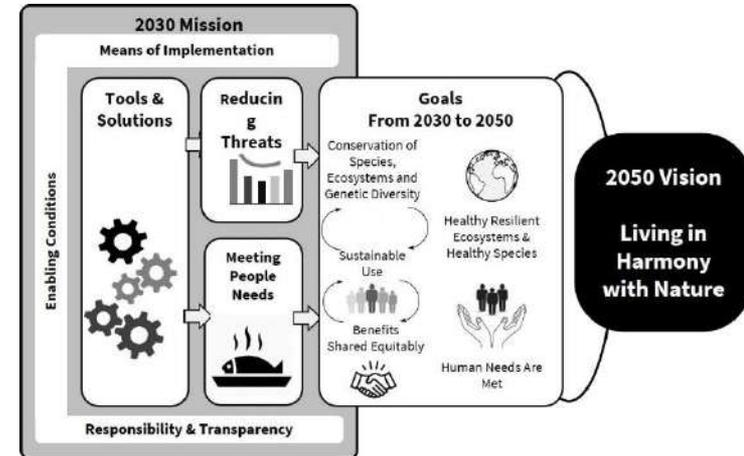

The Post 2020 Framework

Vision 2050: “By 2050, biodiversity is valued, conserved, restored and wisely used, maintaining ecosystem services, sustaining a healthy planet and delivering benefits essential for all people.”

Mission 2030: Take urgent action across society to put biodiversity on a path to recovery for the benefit of planet and people

- **4** long-term **goals**
- **22** action-oriented **targets**
- **Monitoring framework**

Post 2020 Timeline
